- To search for a product, enter any of below and press enter:
- Keywords
- Product Codes
- Supplier part number
- Product description
- Generic description
- EAN / Barcode

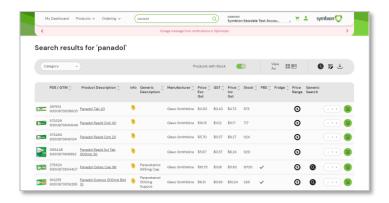

Product Search Results

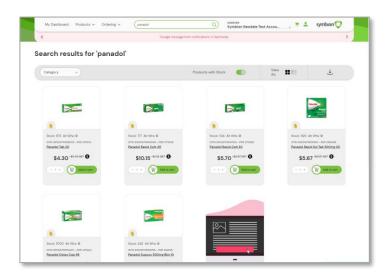

You can further refine your search by making use of the below options:

- Brand
- Category
- Grid or List view
- Sort By
- Products with Stock

NB: Pricing shown is for illustrative purposes only.

Click on the product in either view to be taken to the Product Detail page

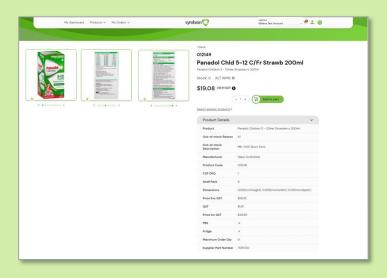

Product Details

See images of the products as well as details including Symbion PDE code, Unit of Measure and Stock Availability.

To add the item to your cart, adjust he quantity as desired then click 'Add to Cart'. The item will be added to your shopping cart and the order total will be updated.

NB: Pricing shown is for illustrative purposes only.

Product Search by Category

- In the top menu click on Products ∨
- Click on the category description to be taken to the search results showing all the products in the selected category.

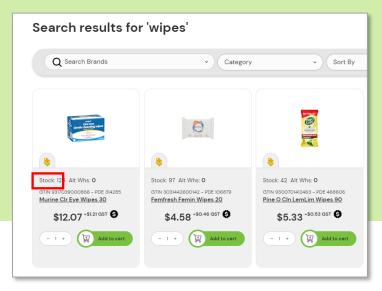

Or

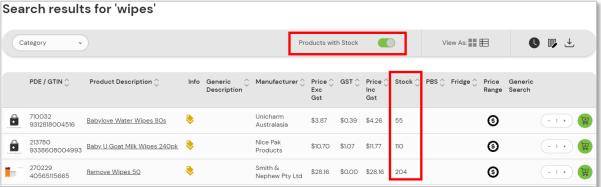

• Click on the drop-down arrow next to the category description to the subcategories, then click on a subcategory to be taken to the search results.

Checking for stock on hand & Out of Stock (OOS)

- Search for your product using either of the Product Search functions
- Available stock will show in the Stock field
- Use the 'Products with Stock' option to remove items which are Out of Stock

For OOS details, hover the cursor over the "0" in the Stock column

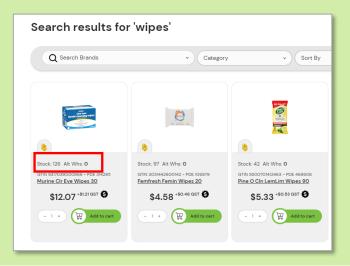

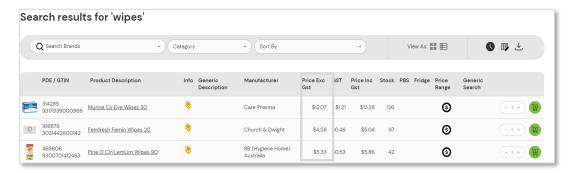

Magnified example

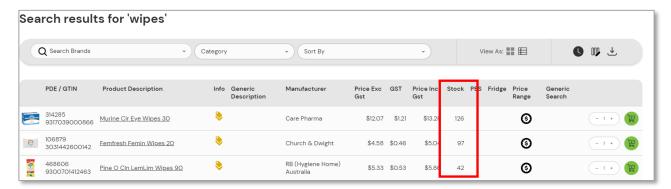

Finding a Price on an Item

- Search for your product using either of the Product Search functions
- Your search results will show the best buy price under the price Ex GST column

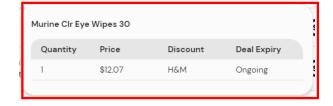

To display further pricing discounts, click on the symbol in the **Price Range** column

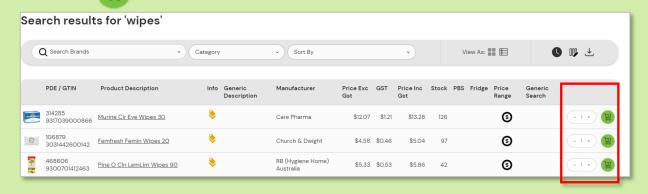

Price Rule information

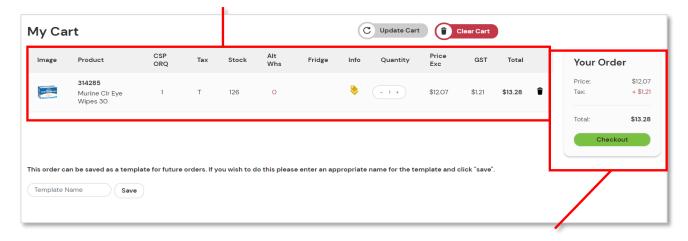

Placing an Order

- Select the account number in the Account dropdown field for the order to be placed against
- Search for your product using either of the Product Search functions
- In your search results type in the quantity required or click on the +/- signs then click the symbol

Your selection has been added to the cart which is visible in the top right menu bar. Click on the cart to bring up the contents of your cart.

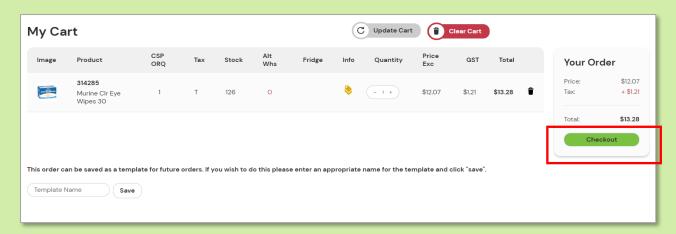

The total value of you order is shown here

To add additional items simply perform a new product search

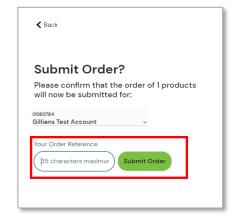

Placing an order (continued)

To place the order when on the cart page press the checkout button

This will take you to 'Submit Order' page to confirm

- Enter your order reference; then
- · Press Submit Order

Other Options on the Cart Page

 You can change the quantity to be ordered. Once done the Checkout button will grey out and update Cart button will change colour

- Press Update Cart to recalculate Your Order value
- An Order can be saved as a template for future use. Give the template a name and press save

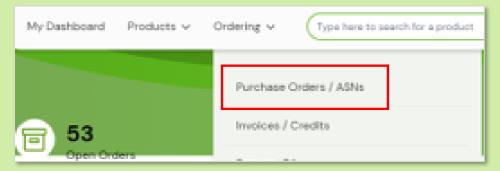

This order can be saved as a template for future orders. If you wish to do this please enter an appropriate name for the template and click "save".

Template Name

Save

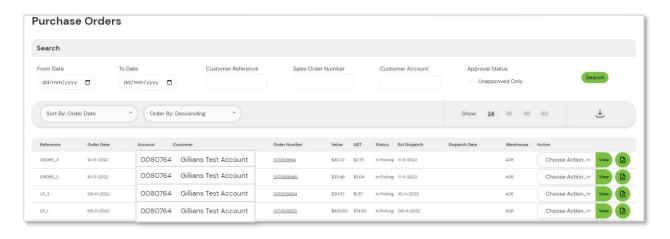

Viewing the status of an order

- The Purchase Order screen allows you to see all the orders placed on your accounts via your POS, head office, supplier allocation or SHOP
- From the menu bar across the top of the screen, click on My Orders, then choose Orders from the drop-down menu or clock on the Open Orders tile

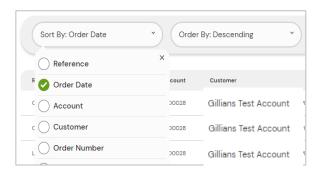

Your orders will be displayed in a table which can then be:

· Filtered by using the Search options

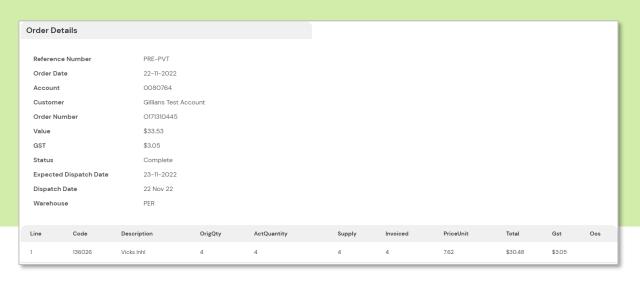

Sorted by each field in an ascending or descending manner

Viewing an order

From the purchase order screen click on view button to be taken to the order details.

The Choose Action... dropdown lets you either request to *cancel the order or re-order the complete order.

With either selection you will be asked to confirm.

*Requesting to cancel an order will send an email to customer service to review and action though this does not guarantee the order will be cancelled.

Delivery Delays

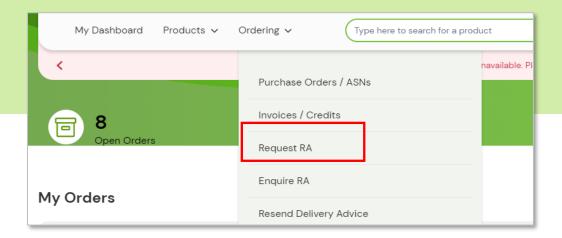

In the event of a delivery delay, Symbion will:

- **Notify your store via email** as required where the delay may be state-wide or caused by unforeseeable circumstances
- Display a notification via your SHOP account
 - The notification will be displayed under the menu bar across the top of the screen and include the account number, run number, date and time related to delay
 - The notification will remain on the screen until midnight
 - · The notification will include the estimated delay

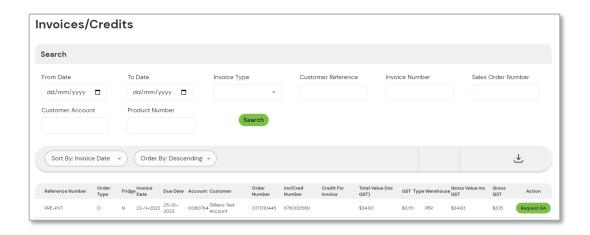

Returns

Requesting a credit [return authority (RA)]

From the menu bar across the top of the screen, click on Ordering, then choose Request RA from the drop-down menu

Your invoices will be displayed in a table which can then be filtered by using the Search options

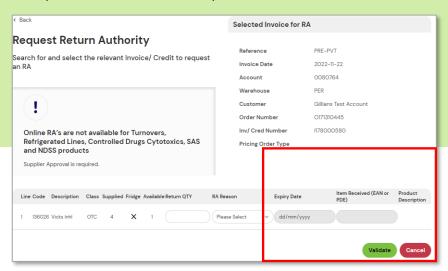

Select the invoice which contains the item you are requesting a credit and press the green **Request RA button**

Returns (Continued)

- Once Request RA is pressed the detailed Request Return Authority screen is shown.
- For the item you are requesting a credit, type in the return quantity (Under Return QTY column)
 and select a reason (under RA Reason column)

When you have completed all the lines for credit click Validate

^{*} If you make an error, simply click cancel to start again or make changes to the selection

Type in the name of the person requesting the credit and the number of RA labels required then click Submit

Write down the RA number provided and place with the goods

Your RA has been successfully submitted with the following number (s): 6782480

Returns (Continued)

Returning your stock to Symbion

Metro / dedicated routes / stores receiving plastic totes

- The driver will provide an RA label on their next available route scheduled for pickups
- Place product into a bag (or cardboard box for multiple products), stick the RA label on the bag or cardboard box and hand to the driver
- For Schedule 8 (S8) drugs, the pharmacist should place the product into a specific Symbion supplied white bag in front of the driver and then hand to the driver. The driver opens this in the dispatch office upon their return to the warehouse

Country / network routes / stores receiving cartons

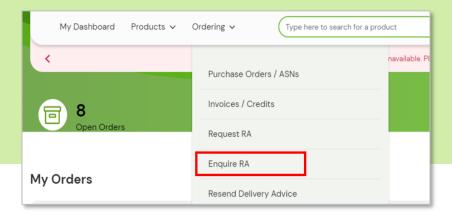

• Place product/s (including S8) drugs) into a cardboard box. Stick the RA label along with the provided freight consignment note label to the box and hand to the driver.

Credit Policy

- RA Requests are to be created by the store within SHOP
- Controlled or Cytotoxic drugs: Please contact customer service if the return is due to a pharmacy error
- Requests should be created within 24 hours from the date of invoice for credits due to:
 - Short sent
 - Damaged
 - Wrong stock received
 - Dated on delivery
- Requests should be created within 48 hours from the date of invoice for credits due to pharmacy error
- All credits must be returned to Symbion within 2 months of the RA request date. If stock
 is not sent back to Symbion within this period, the RA will be closed

Viewing Open Returns for the store

From the menu bar across the top of the screen, click on Ordering, then choose Enquire RA from the drop-down menu

Enter your parameters as required or leave as default and click Search

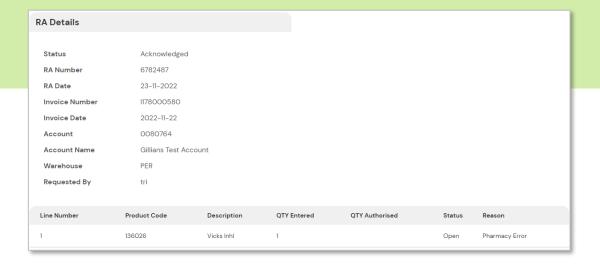

Your Open RA's will be listed

Understanding the credit (RA) status

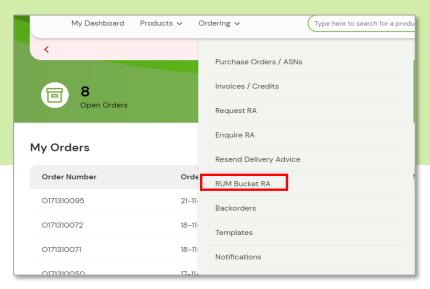

Your credit status (under Status column) confirms the stage of the RA

- Acknowledged Request has been submitted to Symbion and is pending approval
- Approved Request has been accepted The driver will bring along the RA label (s) on your next available delivery scheduled for pickups
- To view further details for the item you are returning (item or quantity for return),
 click the view button

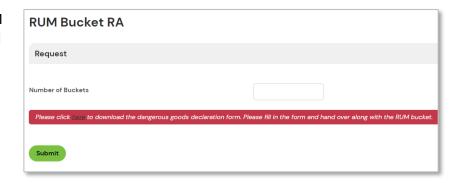

RUM Bucket Credit (RA)

From the menu bar across the top of the screen, click on Ordering, then choose Rum Bucket RA from the drop-down menu

Type in the number of RUM buckets to be collected and click submit

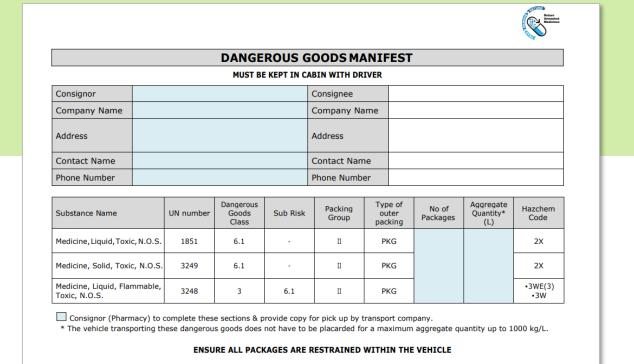

Write down the RA number provided and place with the bucket (s)

Fill out the dangerous good declaration with each RUM bucket return

NOTE: The declaration is available by clicking 'here' (opens a new window). Print, Fill Out and return with Rum Bucket (s). Refer to the Dangerous Good Manifest on how to fill out.

RUM Bucket Credit (RA)

NOTE: To obtain an editable form please contact Symbion Customer Service

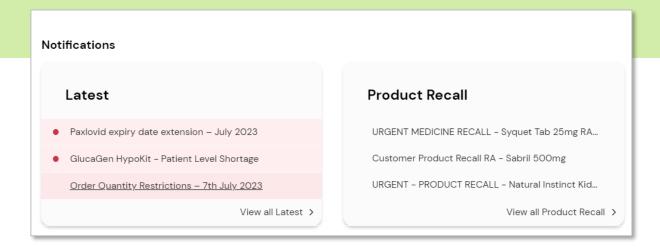

Customer Signature

RA Number Date

Product Recalls

Any product recalls requested by suppliers will be placed onto the SHOP portal under Notifications "Product Recall"

- Arrange to return an item on recall by clicking on the applicable link
- A PDF link to the form will appear at the bottom of the screen
- Click to open a copy of the recall form

Complete the Recall form and email or fax to Symbion

NSW: NSW.customerservice@symbion.com.au

QLD: QLD.customerservice@symbion.com.au

VIC: VIC.customerservice@symbion.com.au

TAS: <u>TAS.customerservice@symbion.com.au</u>

SA: <u>SA.customerservice@symbion.com.au</u>

WA: WA.customerservice@symbion.com.au

Fax: 1300 774 000

Bag or box up all items for the recall, and return the stock to Symbion (outlined on Page 16)

- Attach the RA label (Provided by the driver) to the bag or box
- Hand the bag or box back to the driver to return to Symbion

^{*} An RA will be created for the recall, and you will be sent the RA number via email

Example of Recall form

CUSTOMER PRODUCT RECALL Return Authority

In consultation with the Therapeutic Goods Administration (TGA), Sandoz Pty Ltd is recalling a specific batch of irbesartan Sandoz 150mg listed below.

Sandoz Pty Ltd has initiated this recall due to the detection of N-Nitrosodiethylamine (NDEA) in the one Irbesartan Sandoz batch listed below. During testing of the Irbesartan API (Active Pharmaceutical Ingredient) sourced from an external supplier, trace amounts of NDEA (N-nitrosodiethylamine) were identified.

This recall action does not involve any other Sandoz irbesartan products. Only the product listed below, which relates to one specific batch number, is affected by this precautionary recall action.

Sandoz Pty Ltd has advised that pharmacies should return all stock of the following product with the specified batch number to their place of purchase:

PDE	Description	Batch Number	Caty
375675	Irbesartan FC Tab 150mg Bist 30 SNZ	JA5487	

STOCK MUST BE RETURNED NO LATER THAN February 1st

THIS FORM MUST BE COMPLETED IN FULL AND RETURNED WITH THE GOODS.
PLEASE COMPLETE THE DETAILS BELOW:

To obtain a RA number for return, please complete the form and either email or fax your customer service team

Placing a Backorder

Backorder Availability – A product cannot be placed on Backorder for the following reasons:

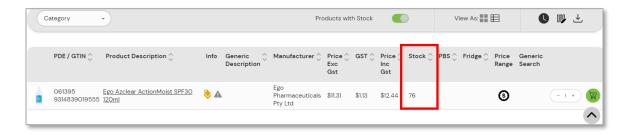

- No Longer Stocked by Symbion
- · Discontinued by the Supplier
- Replaced by another product

To Check the OOS reason, refer to Page 7.

Force Backorder allows you to place an OOS item on Backorder.

Select the account number in the Account drop-down field for the order to be placed against. Search for your product using the Product Search function outlined on Page 5.

In your search results table where the Stock is equal to zero and backorders are allowed, you can still add these items to the cart

A Force backorder screen appears. Click Yes to backorder or No to return to the search results

Hover over this icon to see the item is already on backorder Continue to place or submit order as outlined on Page 9

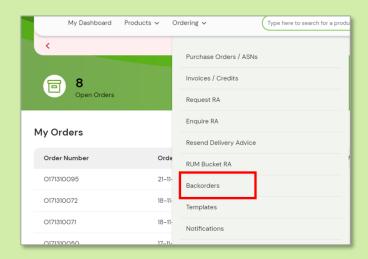

Backorders

Use this function to:

- Review current Backorders
- Request Backorder cancellations

From the menu bar across the top of the screen, click Ordering, then choose Backorders from the drop-down menu or click on Backorders Pending tile on the Dashboard

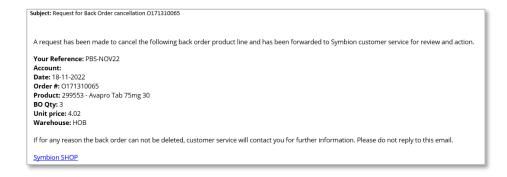

Review backorders then click on Cancel button to request back-order cancellation

Click OK to email back-order cancellation request

Backorders will not automatically delete from the screen. Symbion Customer Service will receive an email communication and manually process the request.

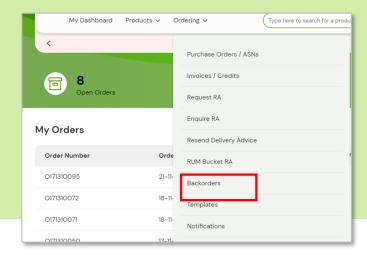

Backorders (continued)

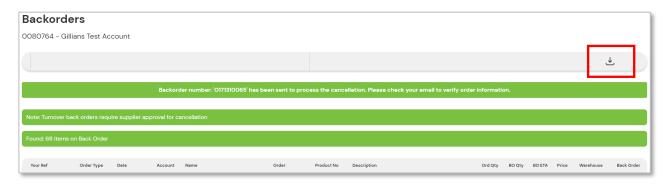

Use this function to:

Export Backorder list to Excel

From the menu bar across the top of the screen, click Ordering, then choose Backorders from the drop-down menu

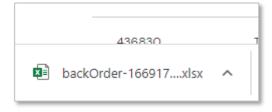

Click on the download icon to view and filter Backorder list through excel.

Select the file type to export

Click on the file that pops at the bottom of your web browser to open excel

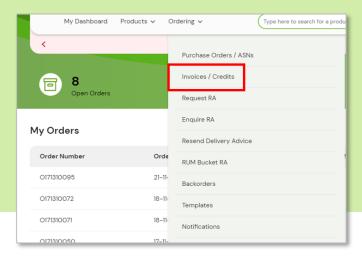

Invoices/Credits

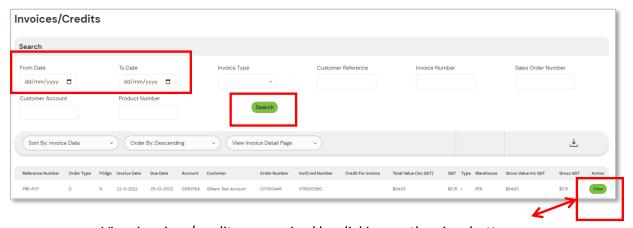

Use this function to:

- View invoices/credit notes
- Search for a product on an Invoice
- Resend or print invoices/credits

From the menu bar across the top of the screen, click My Orders, then choose Invoices/Credits from the drop-down menu

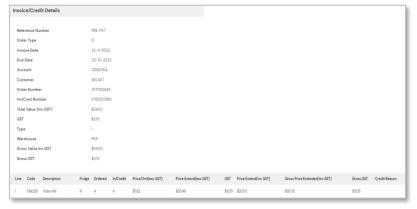

Click on the Calendar buttons to select dates or leave as blank then click on the Search button

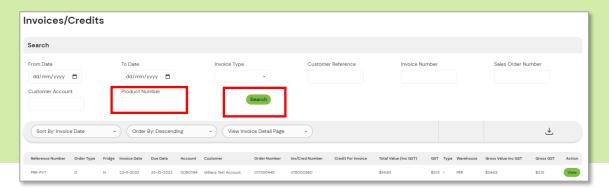

View invoices/credits as required by clicking on the view button

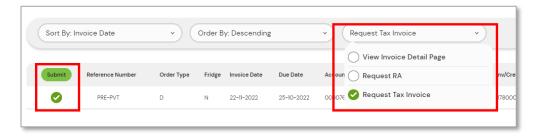

Invoices/Credits (continued)

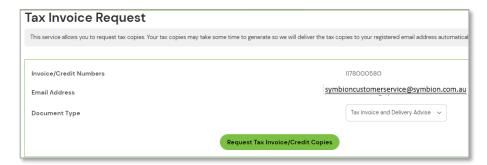

To search for a particular product on an Invoice, key in the Symbion PDE into the product number field and click the Search button

To resend invoices/credits via email, from the search options click on the drop-down and select request Tax Invoice

Click the box to select the invoice then press submit To request multiple Tax invoices, click all the relevant boxes and press submit

Review selection and choose the desired Document Type then click on the Request Tax invoice/Credit Copies. Options are Tax Invoice and Delivery Advice, First page of Tax Invoice/Credit or Tax Invoice/Credit

Confirmation message will be displayed, and invoices/credits will be sent to the email address linked to the SHOP user

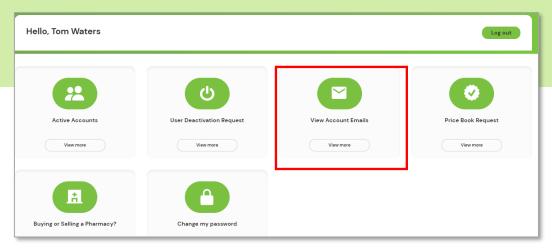

Updating Email Addresses

From the menu across the top of the screen, click on the

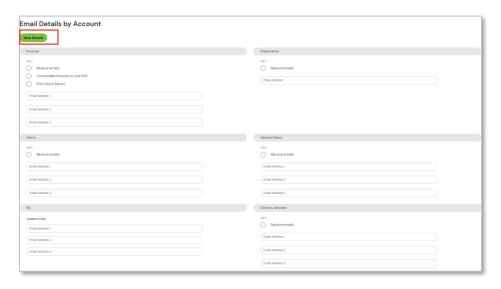

0080764 Gillians Test Account	, H	symbion

Click view more on the View Account Emails tile

Click the relevant "Opt In" box for each option to be updated and enter the email addresses. Click Save Details to submit changes

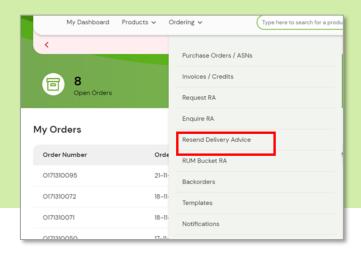

Note: Form this screen you can update email addresses for Invoices, Statements, Alerts, General News, RA's and Delivery Advices.

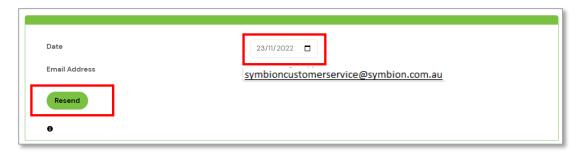

Note: By ticking the "Opt In" box and providing one or more email addresses, you are opting to have that document sent to you by email only. To receive a paper copy, untick the "Opt In" box. (Paper fees may apply)

Resending Electronic Delivery Advices

From the menu across the top of the screen, click on Ordering then Resend Delivery Advice

Click on the calendar icon to the desired date then click resend

Note: Original Consolidated Delivery Advices can only be resent from the last 5 days. All other dates will be blocked out from the calendar. For outside of 5 days, you can resend individual delivery advices via invoices/credits – (refer Page 11)

Note: Delivery Advice will be sent to the email address registered to the SHOP username. To resend to the email address linked to the account number contact Customer Service.

A confirmation message will appear once the delivery advice has been resent

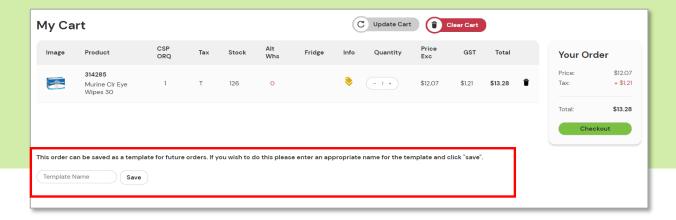

If there are no delivery advices against the date selected, you will receive an unsuccessful message. Try a different date or contact customer service for further assistance.

Templates – Saving an order as a Template

When you place an order, you have the option of saving the order as a Template for future use.

This will bring up the page to Submit the order.

- Enter Template Name
- Press Save

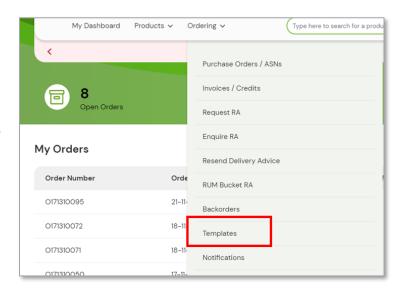

Templates

Use this function to:

 Access previously saved templates

From the menu bar across the top of the screen, click Ordering, then choose Templates from the dropdown menu

Templates

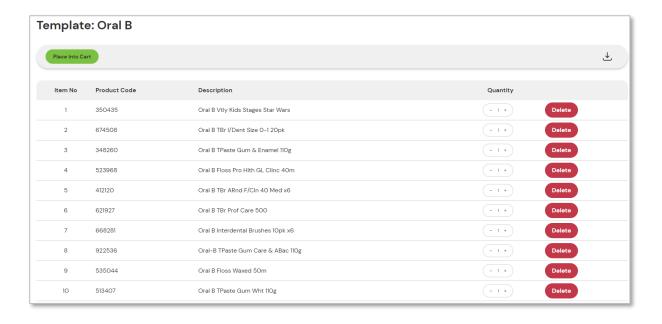

The list of saved templates will be displayed with the options to:

- · Click Edit to edit the Name of the Template
- Click Delete to delete the Template

Click on the template name to view the templated order products

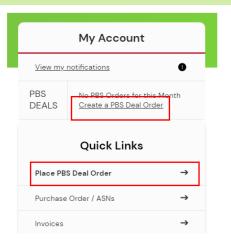

- In the Quantity column select the number of units for each item
- To remove a product from the template press delete
- When complete press the Place into Cart button
- Items are added to the cart, click on the cart icon to continue to submit (refer to page 9)

PBS Deal

Under My Account in the Quick links:

- Click Create a PBS Deal Order
 Or
- Click Place PBS Deal Order

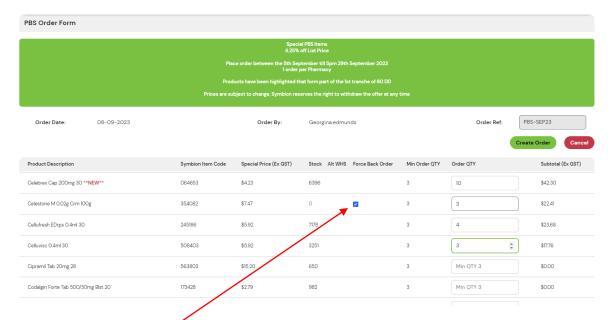

To place a PBS Deal

Select your account number from the drop-down box

Enter the quantity to order into the order QTY field

Note: When an item is OOS, you can opt to backorder by checking the Force Back Order box then entering the QTY to backorder

PBS Deal (continued)

- If you key a QTY greater than 500 units, the field will highlight red
 If you hover over the
 it will display a message

 3 1000
 The following items in your shopping cart have order QTY's greater than 500 units per product, is this correct?

 3 Min QTY 3

 Once all items are updated
 Click Create Order

 Create Order

 Cancel
 - A pop-up message will display requesting confirmation to proceed with the current order.
 - · Confirm by clicking Yes or No

Note:

Click No to go back to the current PBS deal and make any changes to the order or to cancel

PBS Deal (continued)

• Once the deal has been placed, a notification will display

You have successfully placed the PBS-SEP23 order. You will soon receive the order confirmation email.

- Confirmation email will be sent to the address linked to the SHOP username.
- To confirm order number, status & expected dispatch date go to Ordering > Purchase Orders/ASNs or return to your Dashboard
